Old Business:

Dates for work on Moricetown/Suskwa Bridge are as follows:

May 12&13 meet at Safeway parking lot at 0700hrs.

May 17&18 meet at Safeway parking lot at 0800hrs

The 24foot stringers for the bridge will be ordered from Smithers Lumber. Colin will look after that. The rest of the material required for the bridge has been donated by the Recreation Sites and Trails. That includes some money for Nails and pins.

Job Descriptions for the Executive and Directors were read out by Eugene. Motion passed that Job descriptions were available and to leave as is.

Phone number of club members. Bill suggested that to put numbers on the web site and make them pass word protected would be quite a job. Decided to leave till next meeting to discuss further.

Media contact will be Terry and Lloyd.

Intensive Motorised Area: Ben Heemskerk from Recreation Sites and Trails will attend next meeting to discuss with the club.

Schedule Rides for May and June. Still need to decide.

Insurance discount is available from Western Financial Group for club members.

New Business:

Ramp update: Ed gave a summary of RAMP progress. Have one more meeting to attend then the draft document will be completed and presented to the Bulkley Valley Community Resources Board on May 22, 2012.

Partnership with Recreation Sites and Trails: Lloyd gave a brief outline and will ask Ben Heemskerk with Rec Sites and Trails to attend a meeting and provide more information.
