Treasures Report: Account Balance: \$7900.00

Old Business: Discussion with Kevin Eskelin on Intensive Motorized Area (IMA). Championing this project would involve the BVQR to help organize a new club for the IMA. It was suggested by Trish that the BVQR bring the IMA group into our club. The BVQR constitution does not allow this as we are a quad club only. Burns Lake and Houston are also looking at an IMA. A motion was put on the floor by Eugene that *“the Bulkley Valley Quad Riders Club champion the Intensive Motorize Area concept”* Seconded by Trish. The vote was taken and the results were: In favour 3 Against 7. The motion was defeated.

We also had a discussion with Kevin Eskelin regarding a partnership agreement with Rec Sites and Trails B.C. Kevin said that there would be 2 million dollar liability Insurance from the B.C. Government if we entered into an agreement with them. We discussed the Telkwa pass as an example and were told there would be some money for road maintenance up to Jonas Creek Rec site at 19km on the Telkwa River Road where we could expand the site. There would also be some signage to indicate a quading area with camping. Kevin also brought and left with the club an example of the application for the Partnership Agreement. This was left for further discussion by the club.

Poker Ride: We need a chairperson for the poker ride.

Motion to adjourn, Gord, Seconded by Dave
