Old Business:

ATV/MOTORCYCLE SHOW IS ON May 18th at the Hudsons Bay Lodge where we will have a booth. We need people to man it. Terry is doing picture collage for ATV/motorcycle show. Dan has Quad club banner for show. Will try and bring 2 quads for show.

Gathering sponsorship underway. Slow as usual. Lloyd

Ed will place ad in paper soliciting new members.

Doug spoke with Kevin and Diane at Rec Sites and Trails regarding Cronin Mnt. Trail condition. Kevin agreed to go up the trail with Doug and company to see what needs to be done to stabilize the trail. Kevin said that he would be able to help us with a backhoe to complete the work if needed.

Lloyd spoke with the Telkwa Rangers Unit Crew (Forest Service, Protection) regarding brushing and trail maintenance. They said we were on the list. Their first priority however is fuel management projects. When they are finished those then they will be available to brush for us. Must remember that if this year's fire season heats up we might not get any brushing done by them.

The club voted on the need for brush saw and safety equipment for future trail brushing.

Motion: The BCQRC will buy a FS460CE Stihl brush saw, related safety equipment and extra blades, with the price not to exceed \$1500.00. Motion put forward by Doug, Seconded by Dave. The motion was passed.
