

BV QUAD RIDERS

August 12, 2015 Minutes

Meeting commenced: 7:00 pm

Minutes from last meeting: Read by Dave

Members present: Bob, Ed, Dan, Bruce, Doug, Gerry, Dave

Treasurers Report: No report available

Old Business:

1. Plaque for Lloyd is done and on its way here. Looks really good (received Thurs 13th)
2. Micro-Wave Poker Run. Need to get all receipts etc. and tally after Sunday.
3. Sign up List for August 23rd. 20 members can go on Starr Basin Ride. We are following up on a letter of permission from Conrad Thiessen that would allow 20 BV Quad Riders Members access into the Santa Maria Mine Area on Aug 23, 2015. There is a list of 10 stipulations that must be agreed to before permission is granted, those terms were discussed at the meeting and agreed upon. Riders signing up for this outing must also agree to terms, no exceptions. Contact Dave Tolton 250-847-4565 to sign up. We will meet at 8:30 am at the Micro-wave parking area if the ride is a go. 16 riders signed up to date.
4. Brushing at Red Rose Mine. Did any of the members volunteer a day to help out? If so what is the trail like? No one present went but we did put it on our list of considerations for 2016.
5. CRB, Bill did not attend meeting, will ask Bill for an update at our September Meeting September Meeting.

New Business:

1. Jonas Creek Rec Site was a going concern for the August long week end. We talked to some of the group camping at the site and they were all from Kitimat. More showed up as the weekend progressed. Good to see the area getting that kind of recognition as a great place to ride.
2. Talked with Joanne about signage for the Pass and trail conditions. She can get signage for the Parking Lot and possibly Jonas Creek reading the distance to the trail head etc. If she can't get her assistant to put them up, would we be able to help out? We agreed we could help if/when the signs are completed
3. Dome Trail, volunteer(s) to take Joanne out and show her the trail damage for possible short term corrective actions (water bars). Bob Gemmell volunteered.
4. Partnership agreement with RTSBC discuss where we are at with this document? Document will be reviewed by Dan, Dave, Gord and Ed in next couple of weeks and we will decide if we want to go ahead.
