

BV QUAD RIDERS - 2016

April 19, 2016, Agenda

Meeting commenced: 7:05 pm

Minutes from last meeting: No members last meeting, nothing to review.

Members present: Bill, Doug, Ed, Bruce, Bob, Dave

Treasurers Report: Not available

Old Business:

1. Join the club online from ATV/BC is now in place and running. **You will also receive an e-mail telling you ahead of time that your membership will be expiring soon.**
2. Dates for meeting will now be every **third Wednesday** going forward.
3. Rubber self-inking stamp with club info from BV Printers. Once we have it Dave will stamp brochures and posters we received from ATV/BC and disperse to dealerships in town.

New Business:

1. Priority, Need to get Club director volunteers figured out for 2016 and Liability insurance renewal done this meeting; ATV/BC is waiting for those forms to be returned. **Doug Hawkins volunteered to oversee the Dome Project, Thank you Doug!**
2. Our sponsors, ideas for appreciation for services?? **Members voted to pay for memberships.**
3. Our 2016 Work Plan found in your copy of the Partnership Agreement will need to be revised for this season. Bill is doing a great job with our grant applications but without being able to get contractors to view what needs to be done this slows down the process. Some grants call for up to 3 estimates from interested tenders and with a snow pack that can stay till May or longer this can be difficult for this year. We will continue with the grants but may not have funding if we're successful till next season. **We need to get out there now that the snow is receding and get plans going. Will hopefully review the Dome and Jonas Creek in the next 2 weeks.**
4. Met with RSTBC and said that we are still interested in proceeding with the erection of a kiosk at the Jonas Creek Rec Site. They asked if our members could help with the building of it for one of our Summer Projects (we could pre-fab here in town) and then transport it for erection and a ceremony for Lloyd on a week end of our choosing. If we're going to build one, we should build two and also place one at the Dome Parking area? We can discuss this further at the meeting. We made up a list of materials required for the kiosk job. **Dave contacted Joanne and she says RSTBC will be able to help with materials etc. just need to make a plan for when the snow is gone and we can get into Jonas Creek to lay out the site. Doug Hawkins will try to get into Jonas Creek this Friday 22nd and have a look for us.**

BV QUAD RIDERS - 2016

5. Partnership Agreement with RSTBC has been drawn up and can be signed once we update our Work Plan. RSTBC is aware of this and says there is no rush.
6. SPOT, Bill has asked me to bring it to the members attention that our “SPOT” Satellite GPS Messenger is getting expensive for the amount we use it. We pay in US Dollars and it will be roughly \$215.00 annually to continue, worth it or not? Pretty much everyone is packing a cell phone these days you don’t have service everywhere but close. **Members voted to cancel it**
Note: Bill has put it on KIJJI for \$100 no bites so far.
7. Nominations for Club Directors positions needed:
 - **Jonas Creek / Telkwa Pass Project****
 - Dome Mountain Trail Project – Doug Hawkins volunteered, Thank you
 - **2016 Poker Rides Director / Planner****
 - Grants and Fund Raising - Dave
 - **Power Ride Week end / Trade Fair**
8. Something to consider for summer; ATV Safety Training Course. Trying to get more info from ATV/BC on this. **Our ATV/BC Director Brian Deacon is looking into this for us. Nothing new from Brian on this.**
9. Big Thanks to Randy at Randy’s Image Design for making our Club decals again, as usual great job Randy Thank you!!!
10. Work Bee tentatively scheduled for Sunday May 15th 8:00 am at 4459 Schibli Street in town. We need to build one and pre-fab another of the kiosks pictured in the meeting minutes, one will go to Jonas Creek Rec Site for Lloyds Memorial and one will go to the Dome. We need volunteers to help! Come on out and show off your “Handy Man” skills.

Remember

“If the Women don’t find you handsome, they should at least find you handy”

Going for a ride this week end? Don’t ride alone! Let our Webmaster know and we can put it on our website it’s always better Riding with friends 😊

Next meeting date:

May 18, 2016 7:00 pm upstairs at the VanderGaag and Bakkar Building

Motion to adjourn meeting: 8:35 pm by Doug, seconded by Ed

BV QUAD RIDERS - 2016

Proposed Kiosk Design for Jonas Creek and Dome Mountain

"My last ATV kept getting stuck in the mud, but with these new tires, that should no longer be a problem."
