

BV QUAD RIDERS - 2018

April 18, 2018

Meeting commenced: 7:00 pm

Minutes from last meeting:

Members present: Bob, Bill, Ed, Gary, Dave

Treasurers Report: Read to members

Old Business:

- Dome Project. Signs (mile markers) have been made and are ready to be put up this spring / summer. If Harold is in attendance hopefully we can get an update / overview from him. *Harold was not in attendance to give us an update, will wait for next meeting.*
- Damage from Beavers to one of our Moricetown / Suskwa Bridges. Nothing to report on this from our directors. *None of the members present had been to this area last fall to give a report. Anyone out in that area please take a picture or two for us.*

New Business:

- Nominations for executive and directors. We have positions that need to be filled ‘Many hands make light work’ don’t be shy! *As usual there were no volunteers or nominations for executive or director positions, so again for 2018 it will stay the same, thanks for everyone’s help!*
- 2018 Operating Plan, over the winter we have discussed options with RSTBC and have received funds for our summer projects. We have come up with a list of projects for 2018 and will give members an overview at the meeting. *The Operating Plan for 2018 was read and discussed with members present, all present were in agreement with what was proposed. We will post this on our website for all to read. Any club member can forward an idea or suggestion for projects they would like to see the club undertake, but if you do not come to the monthly meetings and voice these opinions or objections to what’s being proposed then it will be up to the members present to decide.*
- We have received word from Parks that Lloyd’s Memorial Kiosk is damaged from the heavy snow. If anyone happens to be traveling out in that area (snowmobiling) could we get some pictures please so that we can make plans for repairs. It might be sometime before we can get a pick-up or atv out there. *Many laughed at how over built this huge kiosk was but apparently it still was no match for the elements. Anyone out in the area please forward pictures if you can so that the club can assess damage and plan repairs accordingly.*

BV QUAD RIDERS - 2018

- We were approached by the Wildlife for Tomorrow Group and asked if I would read their literature to our members and see if we would lend support to them. *This was not done at this meeting it will be scheduled for our May Meeting.*
- Poker Ride 2018. We need to set a date so that we can advertise with ATVBC. This could potentially increase our attendance! Would anyone be willing to be a “Poker Ride Director” and organize? *A date of August 12, 2018 was set for the Poker Ride. Hopefully our Dome Trail will be in shape and ready to go. We need volunteers to:*
 - ✓ *Hand out cards at card stops (4).*
 - ✓ *A person to do 50 / 50 for us.*
 - ✓ *1-2 people to man the table and sell hands.*
 - ✓ *Someone to cook hot dogs*
 - ✓ *Riders to flag and check trail conditions before the event.*
- Raffle? We did well on last year’s raffle would you like to do another one? Would someone like to organize this for 2018? *Members voted on another Power Saw Raffle for this year as last year’s raffle went very well.*
- AGM for ATVBC in Barkerville in August 20-26th, a week of scheduled events, rides etc. we have members signed up who will be making the trip. Want to join us☺

"I think it's awesome. However, my wife thinks I'm dealing with an insecurity issue."
