## Old Business:

- Damage from Beavers to one of our Moricetown / Suskwa Bridges. Nothing to report on this. [We have gotten some pictures of the damage on the Suskwa Trail. Thanks to Colin.](#)

- The members asked if Bill our webmaster could send an e-mail when a ride is posted to everyone? [Bill has agreed to do this. Thanks Bill.](#)
- Raffle Tickets, sales are slow! Anyone wanting to help contact Dave Tolton and he can issue you a book (s) of tickets. Power Ride Weekend will be Saturday September 8<sup>th</sup> this year and the draw is set for 1:00 pm on that day. [We would like to have a table set up there to sell raffle tickets anyone willing to donate an hour or two to helping sell tickets?](#)

## New Business:

- Dome Project. Signs (mile markers) have been made and are ready to be put up. We will have a ride / work bee this Sunday July 22<sup>nd</sup> at the Dome and put signs up as we check trail and board walk conditions. Meet at Dome Parking Lot at 9:00 am if you want to help / ride.
- We have pre-cut and piled 975 boards for the board walk project, we need an estimated 1300 6-foot boards for the total project. What date would everyone like to set to get project done?? As there was no interest in a Poker Ride for this year we may be able to use this date to sling lumber for the Boardwalk, stay tuned!
- We have been told possible dates for our Grizzly Plateau and Starr Basin Rides as August 18<sup>th</sup> & 19<sup>th</sup> for Grizzly and September 1<sup>st</sup> & 2<sup>nd</sup> for the Starr. Have not heard back if this so it is still in the planning stage.
