BV QUAD RIDERS - 2016

May 17, 2016, Minutes
Meeting commenced: 7:00 pm
Minutes from last meeting: No Issues
Members present: Dave, Bruce, Mike, Doug

Treasurers Report: Not ready by meeting time.

Old Business:

1. Rubber self-inking stamp with club info from BV Printers. Took a while but we finally have the stamp will stamp brochures and posters we received from ATV/BC and disperse to dealerships in town.

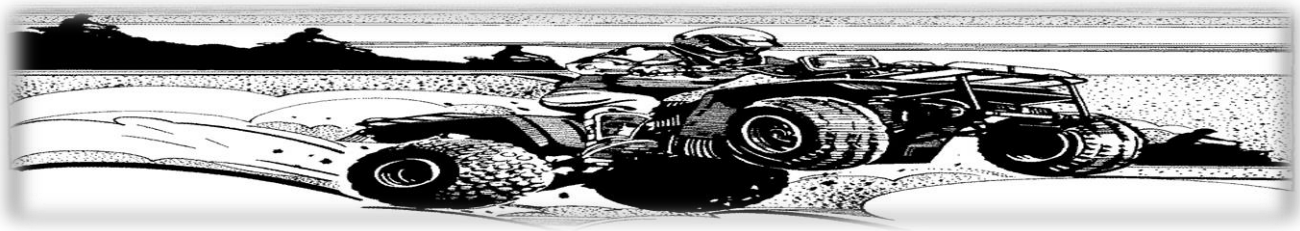
2. Something to consider for summer; ATV Safety Training Course. Trying to get more info from ATV/BC on this. Our ATV/BC Director Brian Deacon is looking into this for us. Nothing new from Brian on this.

New Business:

1. Partnership agreement has been signed as of April 26, 2016, now in effect.

2. Lloyds Memorial Kiosk, Work Bees for Saturday 14th and Sunday 15th went well (not a lot of volunteers) but the ones that did come out were awesome and a lot of work was taken off the clubs plate. On Saturday we dug the holes for sonotube and mixed / poured cement. Digging was made so much easier by club member Dennis Beck who graciously brought out his small excavator and dug the holes for us, saving us (and our backs) much work with a shovel! Thank you. Mike Campbell, Doug Hawkins, Gord Stavast and Dave Tolton rounded out our Saturday Crew. Also Saturday when done with the cement work the group erected a pre-fab Outhouse for the rec site as the other one had sustained irreparable damage. On Sunday 15th a Work Bee to pre-fab the kiosk and roof trusses took place at a member's residence so that we would be ready to assemble and roof when the day comes. Bob Gemmell, Ed Hinchliffe, Gord Stavast, Gerry Hopps and Dave Tolton were all kept busy pre-fabbing the 8' x 8' kiosk. Special thanks to Gerry Hopps for making a truss pattern ahead of time so we could get right at the task at hand Thanks Gerry!

3. We need to decide on a day to finish the kiosk onsite and have a dedication ceremony for Lloyd. Maybe we could have a picnic pot luck barbecue and dedication later in the afternoon when we have finished the work? **Now we need to finish it up members voted for Sunday June 12th. We could have an early start at it (7:00 am or 8:00 am) should be finished by lunch**



time then we could have a Pot Luck picnic / barbeque and dedication ceremony right after. We would like to see as many club members and friends / family come out as possible for this special day. Come on out and help or visit or go for a ride makes no difference it's a day for Lloyd.

4. Contact Interior News and see if we can get an article for the paper done for project and Lloyd. Anyone that would like to submit a paragraph or two about Lloyd that we could add to an article would be appreciated. Lots of our members quadded and hunted with Lloyd, I'm sure there's stories out there to be told! We also need to thank people who donated materials for the project. **Paper was contacted and will do an article for us we just need to get some good pictures.**

5. TRAM / VRAM, Ed will update the group on progress at these monthly meetings; June's agenda includes a vote for summer motorized in Star Basin. **We have been successful in getting a ride into Grizzly Plateau for the club once per summer. This was voted on by the group and will be part of the recommendations that come from TRAM /VRAM. On our June Meeting we will vote on summer access for a day ride for the club into Star Basin, keep your fingers crossed!!**

6. Volunteers to get contractors into the Dome Trail to have a look at the work that needs to be done, who can spare some time for this? Dome Trail has a lot!!! Of trees down that need to be cut out. Hopefully Forestry Fire Fighting Crews can help us out on this one. **Have heard you can make it up the trail, time to get contractors out there, have had a few volunteers to help out. Thank you!!**

7. Raffle for a chain saw to raise money:
   400 Raffle Tickets, $119.00 for the printing and 40.00 max. Setup fee. These are booked in 20's or 25's double numbered and perforated. **This was proposed to the members present but there was not enough to get a consensus of what the club wants, we will re-visit this next month.**

8. Rides, let's set up some dates and locations, be prepared to discuss options for this year. Poker Ride are we going to have one? Ideas, were? **No rides scheduled as yet.**

Going for a ride this week end? Don't ride alone! Let our Webmaster know and we can put it on our website it's always better Riding with friends☺

BV QUAD RIDERS - 2016

Next meeting date:

June 15, 2016 7:00 pm upstairs at the VanderGaag and Bakkar Building

Motion to adjourn meeting: 8:10 pm, all in favor.

Saturdays Work Bee, hand mixing cement

Nice "New Outhouse" while we were out there too!!

BV QUAD RIDERS - 2016

Base of Kiosk ready to go!

Roof Trusses completed, small but “Happy” group!

BV QUAD RIDERS - 2016

Come on out June 12th for a day of reminiscing about Lloyd. Ride for a while, eat or visit and see the finished project. Pictures to hang up or whatever items you may have would be appreciated.
